Dear parent/carer,

As I am sure you are aware, internet safety of children across the UK has been in the news recently and continues to be a concern.

We know that the best protection we can give to young people is knowledge of the dangers so that they are aware and can protect themselves, as well as letting them know where they can go for help and support with regards to Cyber Bullying.

In order to do this, our Class 4 pupils will have the opportunity to take part in an interactive play at Ebrington School on 15th May, which will tackle some of the issues around Safe Internet Use, Cyber Bullying and prevention of exploitation. The pupils will travel to and from the event via coach. The play is age appropriate and is called 'In the Net'. It will last for approximately 40 minutes and pupils will be provided with a support pack at the end of the production.

This activity is part of a pilot programme of work around raising and tackling the complex nature of Internet Use and is being supported by the Education and Learning Sub Group of the Gloucestershire Safeguarding Children Board (GSCB).

We hope that this will be a memorable way to enhance their safe internet usage and help our young people to stay safe on-line.

I give permission for

to attend the In the Net production and travel to and from the event on the coach.
