

Fluent in Five

Daily Arithmetic Practice
Week 25

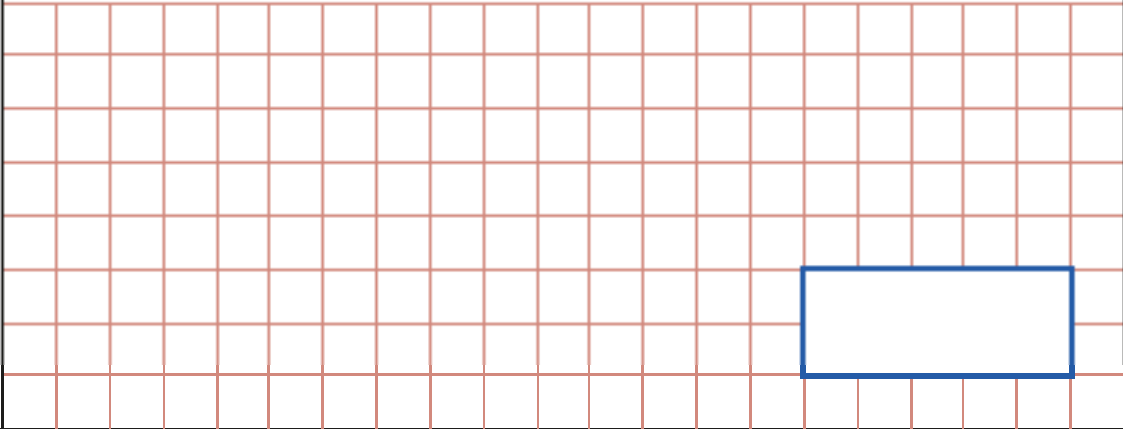

Year 6

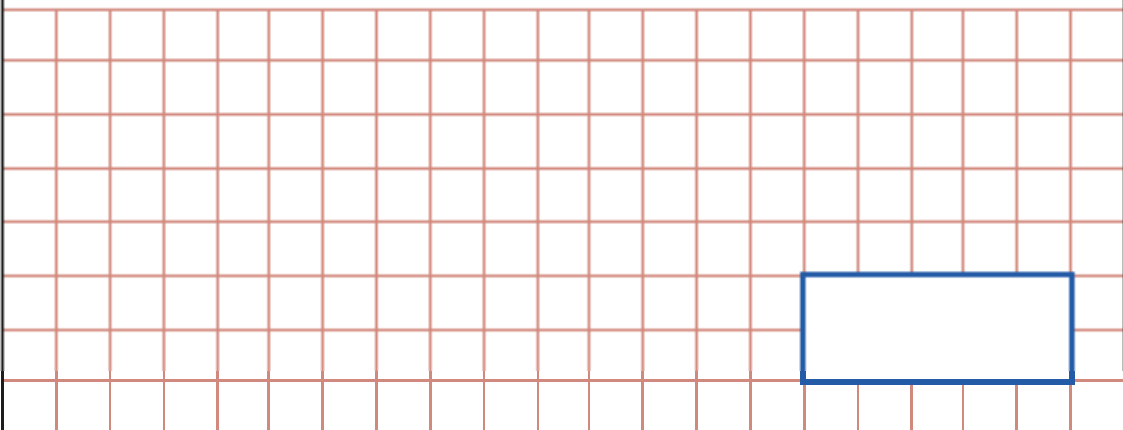

Year 6 - Week 25

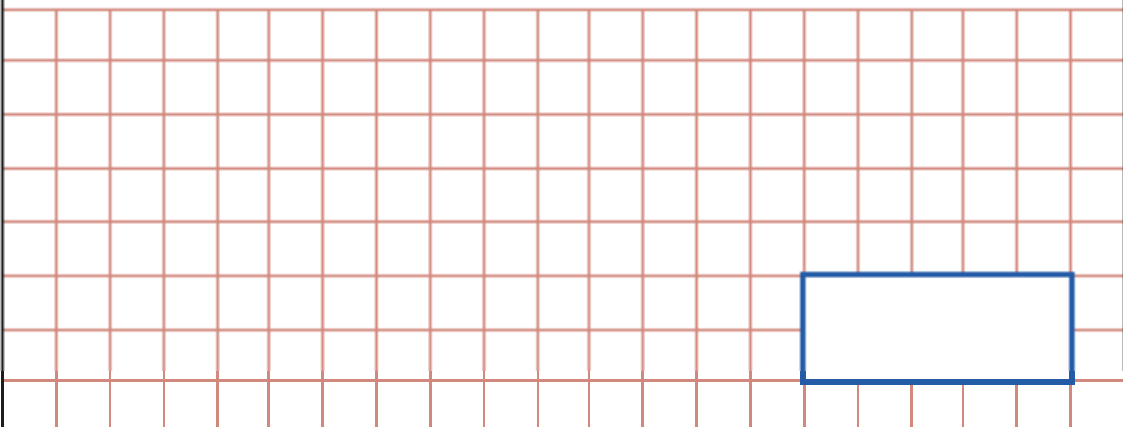

Please note, we recommend reading 'Your Guide to Using Fluent in Five' before using these resources with your class.

This week in a nutshell

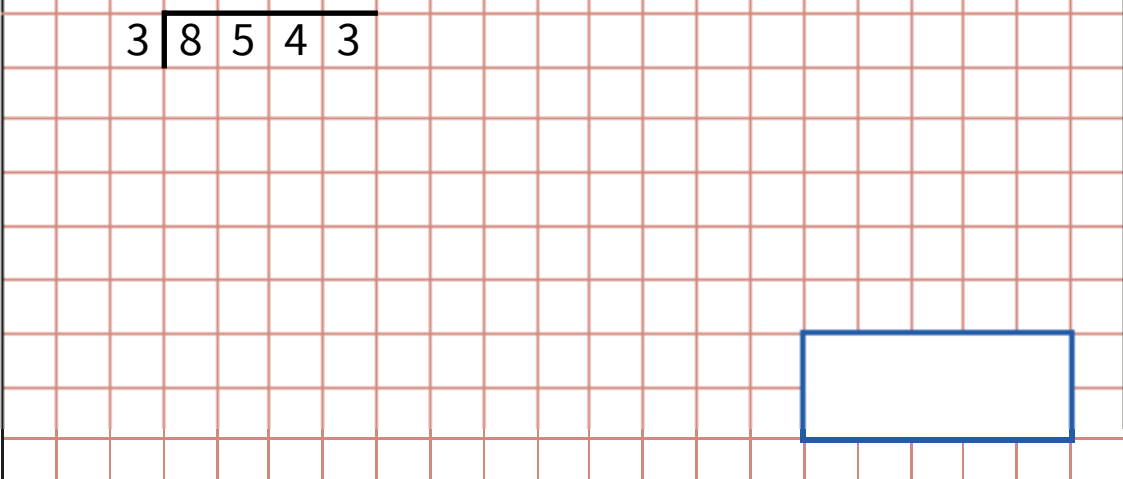

As children are now very close to the Key Stage 2 Calculations SATs paper, the number of questions continues to be 8 per day with all children being encouraged to attempt all 8 questions. The questions have a varying mix of written and mental questions. This fully prepares children for the demand of the calculations paper.
