

## Yr1 Warm Up Activity

7.1.2021

Remember to use drawings of circles and do any crossing out you need to.

1)  $5 + \square = 9$

2)  $10 - 2 =$

3) Half of 16

4) Double 4

5) What is 3 groups of 4?

## Extension

# Making 4, 5 and 6

$$4 + \square = 6$$

$$\square + 5 = 6$$

$$3 + \square = 4$$

$$2 + \square = 6$$

$$\square + 3 = 6$$

$$1 + \square = 5$$

$$\square + 4 = 4$$

$$\square + 3 = 5$$

Fill in the missing number for each addition.

Use towers of 4, 5 or 6 cubes to help.

Can you make 6 using 3 numbers? Write the addition.
